Fast and secure payment solutions that work for your business anytime, anywhere

Accepting credit and debit cards is a must in today's economy, but this convenient payment method often imposes numerous rules, regulations, and expensive fees. We ease the headache of card processing with our streamlined procedures, turnkey implementation, and world class support. Regardless of the card type or industry, we'll make sure these vital payments are processed efficiently and affordably.

Some of the reasons why our customers rely on ZAMCO:

- Customized Payment Solutions
- Point-of-Sale Solutions with Fast Funding & No Hidden Fees
- Accept Credit Card Payments Online
- Have the Freedom to Take Your Business with You on The Go
- Take Payments Over the Phone or Email
- Transparent Pricing
- Rate Match Guarantee
- Next Day Funding
- Free Analysis - Save \$ Switching to Us or Get a Starbucks Gift Card

Our debit card solutions access the broadest array of ATM networks for point-of-sale use, and deliver expedited clearing and least-cost settlement. You'll have access to multiple networks, with true debit card fees and pricing, designed to maximize your profitability.

Our credit card solutions preserve your existing investment by converting your current credit card devices. You'll have the flexibility to purchase, rent, or lease required hardware. And, we offer the most unique and affordable pricing available today, so you keep more of what you've earned. Benefits of our credit card services:

- Interchange Plus Model, Not an Outdated Percent Bucket Model
- Best Pricing & Support in The Industry
- Accept Visa – Mastercard – Discover – American Express
- Debit Cards Via Appropriate ATM Network
- Credit Card Terminals with Quick Chip EMV
- Virtual Terminals on Your Website
- Point-of-Sale – Tablet POS – Mobile POS
- Web Information Reporting Environment (WIRE™)
- **We Also Do Billing, Check & Lockbox Processing**
